SON OF A GUN

A son of record-breaking sire sensation Snitzel...

Full brother to Group 1 Lightning Stakes winner and Golden Slipper runner-up, Snitzerland.

Covering 151 mares in 2017, Sooboog met with the likes of Bella Sunday, the dam of brilliant filly Oohood, runner-up in the Group 1 Golden Slipper, Blue Diamond and Sires' Produce Stakes. He will again be heavily supported by Sheikh bin Khalifa in 2018!

In 2018—as they did in 2017—they are breeding mares to Sooboog.

“Sooboog was one of the best-looking Snitzel yearling colts that has ever been presented at the sales in my opinion, great moving horse, great pedigree, ticks a lot of boxes.”

JAMES HARRON

“I was associated with Sooboog when he first went into work, watched him work through to his first run in the Breeders' Plate where he started favourite, the horse had an enormous amount of speed. He was injured in that run, and unfortunately we never saw the best of him.”

TREVOR LOBB

“He has the same highly heritable characteristics of great physique and raw speed that I Am Invincible took to stud.”

JAMES BESTER

“A horse with that natural early speed, good physical type, I thought he was a horse we would be happy to have a share in.”

HARRY MITCHELL

“... Sooboog was right up there with some of the better 2YOs I’ve trained.”
